

Facility Meeting  
Minutes  
July 23, 2009

A Facility Meeting was held on Thursday, July 23, 2009 at 1:00 p.m. at the Unit Office located at 100 Lincoln Street.

Present: Ken Schell, Ed Test, Pete Hatfill, Greg Brown, Dennis Williams

Ken Schell updated the committee on the brick repair at East Elementary. Mr. Schell stated that Babor Tuck Pointing was doing the work under the supervision of Design Architect. The project is going well and estimated completion is for the first week of August. The work was to remove and replace all loose brick and re-tuck point bricks on the front of the building where students enter and exit the building.

Mr. Schell updated the committee with Health, Life and Safety issues. Mr. Schell informed the committee that East Elementary and Illini Middle School were the next facilities to have the 10 year evaluation performed this school year. At East Elementary an evaluation would be conducted by the architect for extensive repairs to the building.

Mr. Schell adjourned the meeting at 1:50 p.m.
